NORA'S ACCOUNT HAS BEEN INFECTED BY MALWARE WHICH SENT OUT MALICIOUS EMAILS WITHOUT HER KNOWING. THE LINK IN NORA'S EMAIL LEADS TO AN UNSAFE WEBSITE. CLICKING ON IT WILL ALLOW HACKERS TO TAKE CONTROL OF YOUR PHONE AND STEAL YOUR PERSONAL INFORMATION.

JOINING A FREE UNSECURED WIFI NETWORK IS DANGEROUS BECAUSE ANY HACKER CAN ACCESS THE INFORMATION YOU TRANSMIT OVER THE NETWORK.

YOU'RE RIGHT, CRYPTO. I SHOULD NOT JOIN UNSECURED WIFI NETWORKS, REVEAL PERSONAL INFORMATION OR POST DISRESPECTFUL REMARKS ONLINE.

YOU'RE RIGHT, SYNTHIA. I SHOULD HAVE CHECKED WITH MY CLASSMATE IF SHE SENT ME THAT EMAIL BEFORE OPENING IT.

THE MAZE

Amber has tapped onto an unsecured wifi network, giving the hacker a chance to gain access to her device. This was also what Nora did, which enabled the hacker to take control of her device and send out the malicious emails without her knowing. Help Crypto and Synthia locate the hacker through the maze.

PARENT-CHILD ACTIVITY

The unread emails below are phishing emails! You must be alert and refrain from opening such emails in your account. Discuss with your parents how you can spot these phishing emails.

Visit <https://www.csa.gov.sg/gosafeonline/go-safe-for-me/homeinternetusers/> to find out the telltale signs.

The image shows a mobile-style email application interface. At the top, there are navigation icons: a red 'Compose' button, a blue 'Inbox' button, a white search bar with a magnifying glass icon, and a gear icon for settings. Below the header is a list of unread emails:

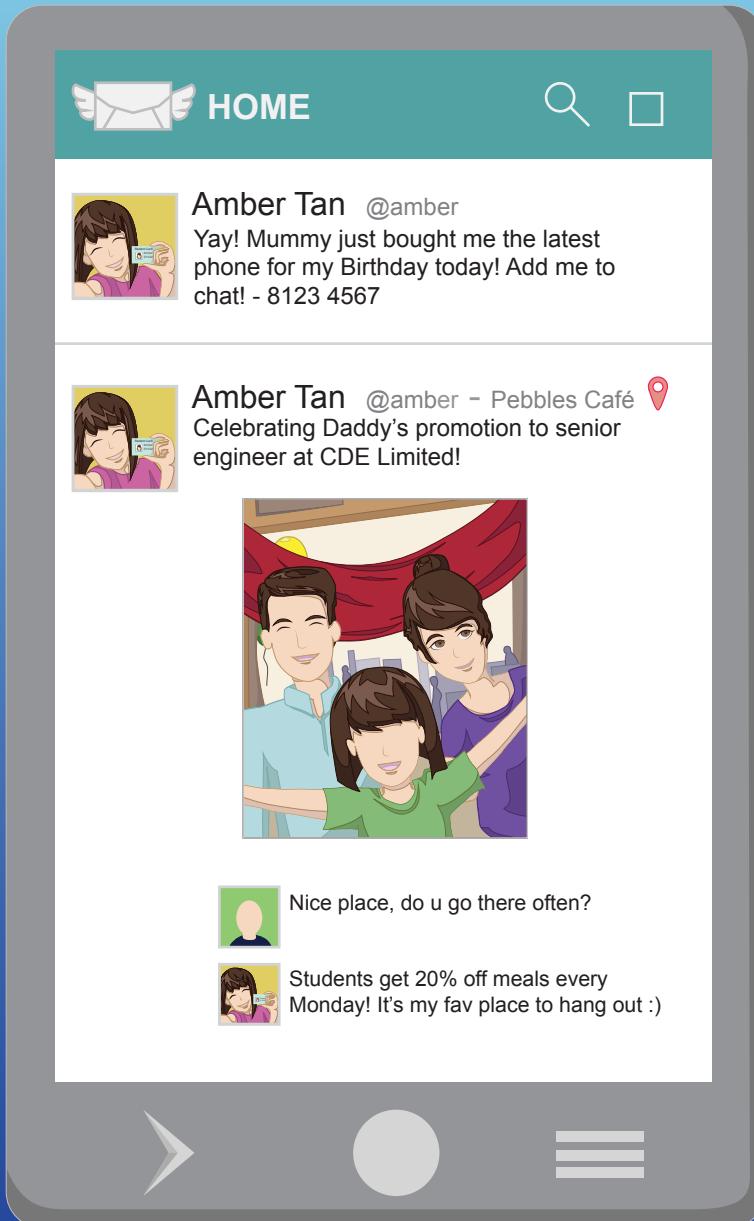

+	Compose	FROM	SUBJECT
<input type="checkbox"/>	Songtel	Fill in to get a free mobile phone!	
<input type="checkbox"/>	Jiawei	What Sarah did will amaze you	
<input type="checkbox"/>	DailyFortune	Forward this email to 15 people or bad luck	
<input type="checkbox"/>	HenryTutor	20 schools' exam questions leaked!	
<input type="checkbox"/>	iAntiv	You've been hacked! Download this antivirus now	

Below the list are links to other sections: 'Preview', 'From: Jiawei [jiawei@yoinkmail.com]', 'To: Noratan@mail.com', and 'Subject: What Sarah did will amaze you'. To the right, a large red 'X' icon with the text 'File not found' is displayed. A small blue box contains the URL 'http://homeworkanswers.com'. A note at the bottom left says 'Last Friday Sarah submitted your picture into this challenge and then your picture has won the most number of likes! View the selfie Sarah put up in the attachment!' and a link 'http://lybit/134927482'.

PARENT-CHILD ACTIVITY

Posting too much personal information online can form a picture of your life which you should never reveal to other internet users and strangers. Discuss with your parents what personal information in the image below should not be shared or posted.
