Annex A: SICW Conference Programme for Media

(Updated 26 Sep 2016 - Key Highlights in Green; Closed Door Sessions in Pink)

Day 1 – 10 October 2016

Time			7th Singapore Cyber Conquest (SCC) 0915am to 1700hrs Exhibition Hall (area next to Nicoll 1)
1000 – 1100hrs	**Singapore International Cyber Week Opening Ceremony** **Guest-of-honour, Prime Minister Lee Hsien Loong** *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*		
1105 – 1235 hrs	**Keynotes** **Christopher Painter**, Coordinator for Cyber Issues, US Dept of State **Conrad Prince,** Cyber Ambassador, UK Trade & Investment 3RD Keynote Speaker (pending)		
1235 – 1330hrs	**LUNCH**		
	Keynotes *VENUE: MR 300 – 302, LEVEL 3*		
1330 – 1400hrs	**Title** (pending) **Prof. Isaac Ben-Israel** Chairman, Israel Space Agency & Chairman, Israel National Council for R&D Director ICRC, Tel Aviv University	**Ministers' Tour of Exhibition Hall** **Photo-op [photographers only]**	
1400 – 1430hrs	**Imperatives for Cybersecurity Success in the Digital Age** John Davis Federal Chief Security Officer, Palo Alto		**ASEAN Mayors Executive Roundtable** 0215 to 1600hrs MR 311
1430 – 1500hrs	**Upcoming Cyber Security Challenges and Ways to Deal with Them** John Suffolk Global Chief Security Officer, Huawei		

Time	Cybersecurity Strategy / Cyber Threat Landscape		
1500 – 1530 hrs	**TEA BREAK**		International Cyber Leaders' Symposium ("ICLS") 1500 to 1700hrs (Closed Door) at MR 324-326, Level 3
	Cybersecurity Strategy *VENUE: MR 300 - 302, LEVEL 3*	**Cyber Threat Landscape** *VENUE: MR 310, LEVEL 3*	
1530 – 1600hrs	**Focusing the Cyber Security Lens** Timothy Brown Chief Technology Officer, Dell Security	**Cyber Heist 2016** Sergei Shevchenko Security Researcher, BAE Systems	
1600 – 1630hrs	**Securing Your Company for Today's Cyber War: A Three-Pronged Approach to a Comprehensive IT Security Strategy** Westley McDuffie Chief Security Evangelist, Federal Sales Team, IBM	**The Master Decryption Key to Ransomware** Leonard Kleinman Chief Cyber Advisor, APJ, RSA	
1630 – 1700hrs	**Adopting a Holistic Approach Towards Fighting Cyber Crime** Tony Jarvis Chief Strategist, Check Point	**The Anatomy of a Ransomware Attack** Barry Shteiman Director (Threat Research), Exabeam	
1700 – 1730hrs	**Taking Practical Steps Towards Cyber Resiliency** Alvin Rodrigues Chief Security Strategist, APAC, Fortinet	**Location-based Threats: How Cybercriminals Target You Based On Where You Live with Ransomware** Chester Wisniewski Senior Security Advisor, Sophos	
1730hrs	**END**		

Day 2 – 11 October 2016

	Keynotes *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*					
0900 – 0930hrs	**The Future of Cyber Security: Threats, Implications and Strategies** Mike McConnell Vice-Chairman, Booz Allen Hamilton		**ASEAN Ministerial Conference on Cybersecurity ("AMCC") Opening Ceremony** Shangri-la Hotel, Tower Ballrooms A			
0930 – 1000hrs	**Redefining Governments Role in Cyber Security** William Saito Special Advisor to PM and Cabinet, Japan			**ASEAN Cybercrime Prosecutors' Roundtable Meeting** 0930 to 1630hrs (Closed Door) at MR 311, Level 3	**ASEAN Cybercrime Prosecutors' Roundtable Meeting ("ACPRM")** 0900 to 1630hrs (Closed Door) at MR 311, Level 3	**IoT Smart Nation Security Conference** 0900 to 1430hrs Summit 2, Level 3
1000 – 1030hrs	**Cloud, Privacy and Data Sovereignty** Lieutenant General Steven Boutelle, US Army (Ret) Vice President, Global Security and Defense, Cisco Systems, Inc.					
1030 – 1100hrs	Pending					
1100 – 1130hrs	TEA BREAK					
	Cybersecurity Strategy *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*	**Cyber Threat Landscape** *VENUE: MR 300 - 301, LEVEL 3*	**Enterprise Security** *VENUE: MR 302, LEVEL 3*			
1130 – 1200hrs	**Effective Strategies for National Cyber Resilience** Anthony Bargar Cyber Security Strategic Business Leader, CSCG	**Web Threats of Past, Present and Future** John Ellis Chief Strategist, Akamai	**Data Security, Audit and Compliance: Like Mixing Oil and Water / Database Security for Enterprise Security** Terry Ray Chief Strategist, Imperva			
1200 – 1230hrs	**The Evolution of Cyber Defence - Securing Your Achilles' Heel** Prof. Yu Chien Siang Chief Innovation Officer, Quann	**Cyber Security Threats in Digital Advertising** Mark Ryan Talabis Senior Managing Consultant. IBM	**Addressing Data Thefts Through An Effective Insider Threat Program** Maheswaran Shanmugasundaram Strategic Security Consulting, Forcepoint			
1230 – 1330hrs	LUNCH					

Time	Governance and Maturity of Cybersecurity *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*	New Approaches to Cyber Threat Detection *VENUE: MR 300 - 301, LEVEL 3*	Enterprise Security *VENUE: MR 302, LEVEL 3*			
1330 – 1400hrs	**Cyber Security Leadership and Risk Management - How to Achieve Resiliency in the Face of Escalating Threats** Robert F. Lentz — President, Cyber Security Strategies John Mills — Chief (Cyber Strategy Division) US DoD CIO	**Defending the Defender: Moving Beyond Reactive Security** Tim Fitzgerald Chief Security Officer, Symantec	**Malware Elimination with Isolation** Kowsik Guruswamy Chief Technology Officer, Menlo Security			
1400 – 1430hrs	**CERT Maturity in EU** Hans De Vries Head of National Cyber Security Centre, NCSC	**Building Intelligence-Driven Security Operations** David Allott Director for Cyber Defence, Intel Security	**Progresses and Partnerships in Cyber-Threat Detection** Prof. Abhik Roychoudhury Professor, School of Computing, National University of Singapore			
1430 – 1500hrs	**Cybersecurity Risk: What Does it Really Mean to be World's First Secure Smart Nation?** Vincent Loy Partner, Financial Crime & Cyber & Data Analytics Leader, PwC	**Tipping the Balance in an Asymmetric War** Andy Solterbeck Regional Director, Cylance	**State of the Art in Analysing DNS Resolution Data to Expose Malicious Activities** Rod Rasmussen Vice President Cybersec, Infoblox	**ASEAN Cybercrime Prosecutors' Roundtable Meeting** 0930 to 1630hrs (Closed Door) at MR 311, Level 3	**ASEAN Cybercrime Prosecutors' Roundtable Meeting ("ACPRM")** 0930 to 1630hrs (Closed Door) at MR 311, Level 3	**IoT Smart Nation Security Conference** 0930 to 1630hrs Summit 2, Level 3
1500 – 1530hrs	**Cybersecurity: Evolution and Imperatives** René Bonvanie EVP & Chief Marketing Office, Palo Alto Networks	**Emulating APT through Red Teaming: The Lifecycle of a Breach** Anthony Paimany Senior Security Consultant, FireEye	**Will the Internet Survive?** **The Need for Paradigm Change in Cybersecurity** Ammar Alkassar Chief Executive Officer, Rohde & Schwarz Cybersecurity			
1530 – 1600hrs	**TEA BREAK**					
	Governance and Maturity of Cybersecurity *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*	New Approaches to Cyber Threat Detection *VENUE: MR 300 - 301, LEVEL 3*	Cloud / Mobile Security Challenges *VENUE: MR 302, LEVEL 3*			
1600 – 1630hrs	**State of Security Operations Maturity and Capabilities 2016 Report** Stephen Kho Managing Principal, Hewlett Packard Enterprise	**Applying Big Data Analytics for Cyber Threat Detection** Mock Pak Lum Chief Technology Officer, StarHub	**Threats and Defenses in Mobile Security** Prof. Gao Debin Associate Professor, Singapore Management University			
1630 – 1700hrs	**Data Security for Big Data Era - Practice of Alibaba's Maturity Model of Data Security** Dr Du Yuejin Vice President (Tech), Alibaba Group	**Your Best New Approach Towards Stopping Orchestrated Attacks** Tony Teo AsiaPac SE-Director, Arbor Networks	**Implications of BlockChain for Enterprise Security** Marcus Tan — Chief Executive Officer, CloakApps Dr Li Qiming — Chief Technology Officer, CloakApps			
1700 – 1730hrs	**Networking**	**Networking**	**Networking**			
1730hrs	**END**					

Day 3 – 12 October 2016

	Keynotes *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*		
0900 – 0930hrs	**Building A Cyber Security Collaboration Framework in Singapore** Lee Fook Sun President, ST Electronics		
0930 – 1000hrs	**Cyber Security on the Front Lines – Insights from Today's Most Important Breach Investigations** Travis Reese President, FireEye		
1000 – 1030hrs	**TEA BREAK**		
	Securing a Connected World through Partnerships *VENUE: AUDITORIUM, HALL 404A, LEVEL 4*	**New Approaches to Cyber Threat Detection** *VENUE: MR 300 - 301, LEVEL 3*	**Cloud / Mobile Security Challenges** *VENUE: MR 302, LEVEL 3*
1030 – 1100hrs	**How To Change Security Landscape** Vitaly Kamluk Principal Researcher, Kaspersky	**Normalising & Contextualising Threat Intel** Michael Daly CSM Division Chief Technology Officer, Raytheon	**Architecting Identity Fabric for Secured Hybrid Cloud** Kenneth Hee AsiaPac Director (Identity), Oracle
1100 – 1130hrs	**Cyber Threat Information Sharing: An Industry Movement** Sean Duca Regional Chief Security Officer, Palo Alto	**Indicators of Exposure: Powering Proactive Security Management** Gidi Cohen Founder / Chief Executive Officer, SkyBox Security	**The Storms Within the Cloud** Matthias Yeo AsiaPac Chief Technology Officer, Blue Coat
1130 – 1200hrs	**Cyber Essentialism: Security Discipline, Collective Defense and the Pursuit of Less** Daniel Wachdorf Technical Director of Threat Detection and Response, Carbon Black	**Adventures in Threat Intelligence: Making TI Actionable** Guy Rosefelt Director (Web Security), NS Focus	**Mobile Application Security and IT Vetting: Securing the Next Frontier - From Your Fingertip to the Cloud and Beyond** Keng Lee Chief Operations Officer, TanoSecure
1200 – 1300hrs	**LUNCH**		

| | Securing a Connected World through Partnerships
VENUE: AUDITORIUM, HALL 404A, LEVEL 4 | New Approaches to Cyber Threat Detection
VENUE: MR 300 - 301, LEVEL 3 | ICS Security: IT & OT Security Convergence
VENUE: MR 302, LEVEL 3 |
|---|---|---|---|
| **1300 – 1330hrs** | **Pending** | **Building World Security Operations – Monitor, Detect, Remediate**
James Carder
Chief Information Security Officer, LogRhythm | **The Secrets Behind Advanced Critical Infrastructures & SCADA Cyber Attacks**
Speaker to be confirmed, Check Point |
| **1330 – 1400hrs** | **Cybersecurity – A Regional Perspective**
Daryl Pereira
Partner (Cybersecurity), KPMG | **Accelerating the Path to Breach Detection & Response Through Automated Investigations**
Dr Benson Wu
General Manager, Verint | **Applying Critical Security Framework to Critical Infrastructure**
Dick Bussiere
Technical Director, Tenable Network Security |
| **1400 – 1430hrs** | **Greater Than the Sum of its Parts - The Israeli Cyber Companies Consortium – A Working Model of Coopetition in Cyber Security**
Alvin Cheng
Cybersecurity Manager, Custodio | **Vulnerability Discovery Protection**
Dr Vrizlynn Thing
Head, Cyber Security and Intelligence
Institute for Infocomm Reseacrh, A*STAR | **Reconciling IT and OT Security**
David Meltzer
Chief Research Officer, Vice President of Corporate Development, Tripwire |
| **1430 – 1500hrs** | **Building a 21st Century Security Operations Centre**
Jerry Stalick
Vice President (Security Operations), F5 | **Artificial Intelligence for Automated Cyberthreat Discovery: How Machine Learning Evolved to Help Us Fight New and Unknown Threats**
Alberto Pelliccione
Chief Executive Officer, ReaQta | **Case Studies on Implementation of Proactive Controls to Safeguard Access to Industrial Control Systems**
Apichet Chayabejara
Solution Architect, CyberArk |
| **1500 – 1530hrs** | **TEA BREAK** | | |
| | Software Assurance & Product Certification
VENUE: AUDITORIUM, HALL 404A, LEVEL 4 | New Approaches to Cyber Threat Detection
VENUE: MR 300 - 301, LEVEL 3 | ICS Security: IT & OT Security Convergence
VENUE: MR 302, LEVEL 3 |
| **1530 – 1600hrs** | **How to Build a Product Security Program with SDL & Certifications**
Ashit Vora
Co-Founder, Acumen Security | **New Approaches to Cyber Threat Detection**
Paul Pang
Chief Security Strategist, Splunk | **Cyber-Physical Security Challenges in Urban Transportation Systems**
Dr Zhou Jian Ying
Designation TBC, A*STAR |
| **1600 – 1630hrs** | **Continuous Testing for Quality & Security – Mitigating Risk with Productivity**
Marek Pilch
Asia Pacific Vice President, Parasoft | **Log is Everything, Everything is Log**
Balázs Scheidler
Founder / Chief Technology Officer / Inventor, Bala Bit | **Risk Management in IT-OT Convergence**
Lee Junyu
Manager, Ernst & Young |
| **1630hrs** | **END** | | |
